

Services overview

Working with education, refugee settlement, government, not-for-profit organisations and others, I offer the following services on a contract or retainer basis:

Writing & editing

Writing & editing services for non-fiction texts such as academic writing, learning & training resources, grant proposals, reports, articles, websites and others:

- Proofreading
- Line editing
- Structural editing
- Professional writing for training resources, grants and articles.

Learning design

Learning design, development and evaluation services for government, education, not-for profit organisations and others:

- Designing engaging and meaningful learning & training programs
- Developing programs & training for face-to-face, online or blended delivery
- Evaluating learning & training resources and the learner's experience.

Professional development workshops

Professional development workshops to up-skill trainers, facilitators, tutors, community educators and others in:

- Engaging adult learners
- Supporting learners with English as an additional language
- Developing in-house training for staff
- Tailoring training for specific audiences.
